

Impact Analytical to exhibit at environmental conference

Look for Impact Analytical at this year's Global Plastics Environmental Conference Feb. 13-14 in Detroit, Mich.

Conference organizers say this year's conference attracted the largest number of papers submitted in recent years. Turnout is expected to be excellent. The conference will be held at the Marriott Renaissance Hotel.

Impact Analytical brings expertise in analysis and interpretation in many of the areas that will be discussed at the conference.

Conference organizers have speakers and displays prepared for several distinctive tracks including automotive, uses of recycled materials, biodegradable materials and innovative processes.

For more information about Impact Analytical and the show, please write to us at [info@impactanalytical.com](mailto:info@impactanalytical.com). For more information about the show, visit [www.sperecycling.org](http://www.sperecycling.org)

The Society of Plastic Engineers, Environmental Division, sponsors the conference.
